Andrea Carter is a pioneer in the field of dance therapy. Her work with Circle Adventures has helped countless people to heal from trauma and find their voice. In this article, we will explore Carter's life and work, and discuss the impact of her work on the field of dance therapy.

Andrea Carter's Early Life

Andrea Carter was born in 1954 in New York City. She began dancing at a young age, and by the time she was in high school, she was teaching dance classes to other children. After graduating from high school, Carter attended college at the University of California, Berkeley, where she studied dance and psychology.

In 1977, Carter founded Circle Adventures, a dance therapy program for survivors of sexual abuse. Circle Adventures was one of the first programs

of its kind, and it quickly gained a reputation for its effectiveness in helping people to heal from trauma.

Circle Adventures

Circle Adventures is a dance therapy program that uses movement, music, and group interaction to help people to heal from trauma. The program is based on the belief that movement can help to release pent-up emotions and promote healing. Circle Adventures groups are typically small, with 6-10 members. The groups meet weekly for 90-minute sessions.

The Circle Adventures program has been shown to be effective in helping people to heal from a variety of traumas, including sexual abuse, domestic violence, and combat exposure. The program has also been shown to be effective in reducing symptoms of depression, anxiety, and post-traumatic stress disorder.

The Price of Truth

Andrea Carter's work with Circle Adventures has not been without its challenges. In 1985, Carter was arrested and charged with child molestation. The charges were eventually dropped, but the scandal surrounding the case damaged Carter's reputation and made it difficult for her to continue her work.

Despite the challenges she has faced, Carter has continued to work with survivors of trauma. She has spoken out about the importance of believing survivors of sexual abuse and has worked to create a more supportive environment for people who have experienced trauma.

The Impact of Andrea Carter's Work

Andrea Carter's work has had a profound impact on the field of dance therapy. Her work with Circle Adventures has helped countless people to heal from trauma and find their voice. Carter's work has also helped to raise awareness of the importance of dance therapy and has paved the way for other dance therapists to work with survivors of trauma.

Andrea Carter is a true pioneer in the field of dance therapy. Her work has helped to change the lives of countless people, and her legacy will continue to inspire and empower others for years to come.

Andrea Carter is a remarkable woman who has dedicated her life to helping others. Her work with Circle Adventures has helped countless people to heal from trauma and find their voice. Carter's work has also had a profound impact on the field of dance therapy, and her legacy will continue to inspire and empower others for years to come.
