Asher was diagnosed with SMA when he was just a few months old. His parents were devastated, but they were determined to give him the best possible life. They began searching for treatments and support groups.

One day, Asher's parents met Maryann Jordan. Maryann is a nurse who has dedicated her life to helping children with SMA. She founded Heroes At Heart, a non-profit organization that provides support and resources to families affected by SMA.

Maryann and Heroes At Heart became a lifeline for Asher and his family. They provided Asher with medical care, equipment, and emotional support.

They also connected Asher with other families who were facing similar challenges.

## **The Asher Effect**

Asher's story has had a profound impact on the world. He has inspired people from all walks of life to get involved in the fight against SMA.

In 2016, Asher was named a CNN Hero. He was also featured in a documentary film called "Asher's World." The film has been seen by millions of people around the world.

Asher's story has helped to raise awareness of SMA and other rare diseases. It has also inspired people to be more compassionate and understanding.

## **Asher's Legacy**

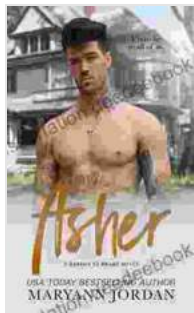

Asher passed away in 2017 at the age of 7. But his legacy lives on. He continues to inspire people to make a difference in the world.

Heroes At Heart is still going strong. The organization provides support and resources to families affected by SMA. It also funds research to find a cure for SMA.

Asher's story is a reminder that even in the face of adversity, we can find strength and hope. He is a true hero who has made a lasting impact on the world.

Asher Heroes At Heart Maryann Jordan is a heartwarming story of courage, determination, and hope. Asher's journey is an inspiration to all who face

challenges in life. His legacy will continue to live on through the work of Heroes At Heart and the countless people who have been touched by his story.
