## **Origins and Early Years**

The Joker Wild Smokey Bandits Mc was founded in 1969 in San Bernardino, California. The club's founders were a group of Vietnam War veterans who shared a love for motorcycles and a desire to create a community of like-minded individuals. The club's name, Joker Wild, was inspired by the 1967 film of the same name, which starred Jack Nicholson as a biker. The Smokey Bandits part of the name was added in homage to the 1977 film Smokey and the Bandit, which featured Burt Reynolds and Jerry Reed as truck drivers who outwitted the police.

In its early years, the Joker Wild Smokey Bandits Mc was a small, tight-knit group of members who were dedicated to riding their motorcycles and supporting each other.
