What is a Guitalele?

A guitalele is a small, four-stringed instrument that is similar to the guitar. It is about the size of a ukulele, but with a longer neck and a wider body. The

strings of a guitalele are tuned an octave higher than the strings of a guitar, giving it a brighter, more cheerful sound.

The guitalele is a great choice for beginners because it is easy to learn to play. The strings are close together, making it easy to form chords. The neck is also narrow, making it easy to reach the frets.

Benefits of Playing the Guitalele

There are many benefits to playing the guitalele, including:

- Improved hand-eye coordination
