## **A Journey of Hope and Resilience**

Maryann Jordan's life took an unexpected turn when she was diagnosed with congestive heart failure. Her heart was failing, and she needed a heart transplant to survive. In 2016, she received the life-saving gift of a new heart from a generous organ donor.

Maryann's recovery from heart transplant surgery was challenging, but she faced each setback with unwavering determination. She was determined to make the most of her second chance at life and to help others who were facing similar challenges.

## **The Birth of the Heroes at Heart Collection**

During her time in the hospital, Maryann was inspired by the countless acts of kindness and compassion she witnessed from the doctors, nurses, and other patients. She realized that true heroes are not just those who wear capes and save lives in dramatic ways, but also those who show courage, resilience, and hope in the face of adversity.

To honor these everyday heroes, Maryann launched the Heroes at Heart Collection in 2017. The collection features a line of jewelry and accessories designed to symbolize strength, hope, and the power of the human spirit.

### **A Symbol of Courage and Resilience**

The centerpiece of the Heroes at Heart Collection is the Brave Heart necklace, featuring a delicate heart pendant adorned with a tiny red stone. This necklace represents the strength and resilience of those who have faced life's challenges head-on, never giving up hope.

Other pieces in the collection include the Hopeful Heart bracelet, the Courageous Soul earrings, and the Warrior spirit ring. Each piece is crafted with care and infused with the message of hope and empowerment that Maryann has come to embody.

### **Making a Difference in the Lives of Others**

Through the Heroes at Heart Collection, Maryann has not only raised awareness about organ donation and heart failure, but she has also provided a source of inspiration and support to others. A portion of the proceeds from the collection is donated to organizations that provide support to heart transplant recipients and their families.

Maryann's story, and the Heroes at Heart Collection, have touched the lives of countless people. She has been featured in numerous media outlets, including The New York Times, The Today Show, and People magazine, where she has shared her message of hope and resilience.

## A Legacy of Love and Inspiration

Maryann Jordan is more than just a heart transplant recipient. She is a symbol of courage, resilience, and hope. Through her Heroes at Heart Collection, she continues to make a difference in the lives of others, inspiring them to never give up on their dreams, no matter how challenging life may seem.
