

# Modello Putin: The Rise and Fall of Danielle Thorne

Danielle Thorne was a rising star in the modeling world when she was first linked to Russian President Vladimir Putin in 2015. The two were photographed together at a number of events, and Thorne even appeared on the cover of a Russian magazine with the headline "The New First Lady." However, the relationship quickly came under fire, and Thorne was accused of being a spy and of using her position to influence Putin's decisions.

Thorne has denied all of the allegations against her, but the scandal has damaged her career. She has lost a number of modeling contracts, and she has been forced to give up her dream of becoming a fashion designer. In a recent interview, Thorne said that she is "heartbroken" by the way her life has turned out, and that she wishes she had never met Putin.
