The series includes works by such major thinkers as Plato, Aristotle, Machiavelli, Hobbes, Locke, Rousseau, and Kant. The editions are carefully prepared by leading scholars and include extensive s, notes, and bibliographies.

Cambridge Texts in the History of Political Thought is an essential resource for students and scholars of political philosophy. The series provides authoritative editions of the major works in the field and makes them accessible to a wide range of readers.

History of the Series

The Cambridge Texts in the History of Political Thought series was founded in 1988 by Quentin Skinner. Skinner is a leading scholar of political philosophy and is the author of several books on the history of political thought. He is also the editor of *The Cambridge History of Political Thought*.

The series was founded with the aim of providing authoritative editions of the major works in the history of political thought. The editions are prepared by leading scholars and include extensive introductions, notes, and bibliographies.

The series has been praised by scholars for its high quality and its commitment to providing accurate and accessible editions of the major works in the history of political thought.

Editions

The Cambridge Texts in the History of Political Thought series includes over 100 editions of major works in the history of political thought. The editions are divided into four sections: ancient, medieval, early modern, and modern.

The ancient section includes works by such major thinkers as Plato, Aristotle, and Cicero. The medieval section includes works by such major thinkers as Augustine, Aquinas, and Marsilius of Padua. The early modern section includes works by such major thinkers as Machiavelli, Hobbes, and Locke. The modern section includes works by such major thinkers as Rousseau, Kant, and Hegel.

Each edition is prepared by a leading scholar and includes an extensive introduction, notes, and bibliography. The introductions provide an overview of the work and its

context, and the notes provide detailed explanations of the text. The bibliographies provide a guide to further reading on the work and its author.

Reception

The Cambridge Texts in the History of Political Thought series has been praised by scholars for its high quality and its commitment to providing accurate and accessible editions of the major works in the history of political thought.

The series has been used in classrooms around the world and has been cited in numerous scholarly works. It is an essential resource for students and scholars of political philosophy.

The Cambridge Texts in the History of Political Thought series is a valuable resource for students and scholars of political philosophy. The series provides authoritative editions of the major works in the field and makes them accessible to a wide range of readers.

The series is a testament to the importance of political philosophy and its continued relevance to our understanding of the human condition.
