## Upholstery

Upholstery is the process of covering furniture with fabric. It's a great way to update the look of your furniture and make it more comfortable.

Upholstery can be done on any type of furniture, but it's most commonly done on sofas, chairs, and ottomans.

## **Materials**

- Fabric
- Upholstery foam
- Upholstery thread
- Upholstery needle
- Staple gun
- Scissors
- Measuring tape
- Chalk

## **Instructions**

1. Remove the old fabric from the furniture.
2. Cut the new fabric to size.
3. Attach the new fabric to the furniture using staples.
4. Trim the excess fabric.
5. Enjoy your new upholstered furniture!

## **Reupholstery**

Reupholstery is the process of replacing the fabric on existing furniture. It's a more involved project than upholstery, but it's a great way to give old furniture a new look. Reupholstery can be done on any type of furniture, but it's most commonly done on sofas, chairs, and ottomans.
